

APPENDIX

THE THERAPEUTIC CLASSES AND NUMBERS FOR DRUG PREPARATIONS USED
BY THE DEPARTMENT OF HEALTH AND SOCIAL SECURITY

<i>Therapeutic class number</i>	<i>Therapeutic classes</i>
01	Antacids
02	Antispasmodics
03	Bitters and tonics
04	Gastro-intestinal sedatives
05	Other miscellaneous digestive remedies
06	Laxatives and purgatives, evacuant enemas and suppositories
07	Corticosteroid preparations acting locally on the rectum
08	Anti-infective agents acting locally on the gastro-intestinal tract
09	Preparations acting on the heart
10	Diuretics
11	Anti-hypertensives
12	Vasodilators
13	Vasoconstrictors
14	Antimigraine drugs
15	Anticoagulants
16	Other preparations acting on the vascular system
17	Expectorants and cough suppressants
18	Preparations relaxing bronchial spasm
19	Antibiotic preparations acting locally on the lower respiratory tract
20	Other preparations acting locally on the lower respiratory tract
21	Other preparations affecting the lower respiratory tract, including stimulants
22	Addictive analgesics
23	Antipyretic analgesics
24	Barbiturates (unadmixed or if principal ingredient)
25	Hypnotics (non-barbiturate)
26	Tranquillisers
27	Antidepressants
28	Stimulants and appetite suppressants
29	Anticonvulsants
30	Preparations used in Parkinsonism
31	Muscle relaxants
32	Other preparations acting on the nervous system
33	Local anaesthetics and counter-irritants
34	Anti-emetics (other than preparations of unadmixed hyoscine salts)
35	Antibiotic and other anti-infective preparations acting locally on the vagina and urethra
36	Other preparations acting locally on the vagina or urethra
37	Preparations acting on the uterus
38	Other preparations acting on the genito-urinary system
39	Penicillins
40	Tetracyclines
41	Streptomycins
42	Chloramphenicol
43	Anti-fungal antibiotics
44	Other antibiotics

<i>Therapeutic class number</i>	<i>Therapeutic classes</i>
45	Sulphonamides
46	Anti-T.B. preparations (other than antibiotics)
47	Anthelmintics
48	Other anti-infectives (including anti-leprotic, anti-syphilitic and anti-protozoal preparations)
49	Corticosteroids for systemic use
50	Oestrogen-progestogen combinations
51	Other sex hormone preparations
52	Insulin
53	Oral hypoglycaemics
54	Antidiuretics and other pituitary hormones
55	Anabolic drugs
56	Thyroid and anti-thyroid preparations
57	Other preparations affecting metabolism
58	Cobalamin preparations
59	Iron and other erythropoietic preparations
60	Vitamins and vitamin preparations other than cobalamin preparations
61	Antimycotic preparations
62	Calcium preparations
63	Preparations for electrolyte and water replacement
64	Other preparations affecting nutrition and blood
65	Preparations specified for rheumatic diseases and gout
66	Antihistamines for allergic reactions
67	Preparations for protein desensitisation
68	Other preparations affecting allergic reactions
69	Antibiotic preparations acting on the ear, nose and oropharynx
70	Corticosteroid preparations acting on the ear, nose and oropharynx
71	Other preparations acting on the ear, nose, and oropharynx
72	Antibiotic preparations acting on the eye
73	Sulphonamide preparations acting on the eye
74	Corticosteroid preparations acting on the eye
75	Other preparations acting on the eye
76	Antibacterial preparations acting on the skin
77	Fungicides and antiparasitics
78	Corticosteroid preparations acting on the skin
79	Sedatives, antipruritics, keratolytics and protectives
80	Antiseptics (including surgical antiseptics)
81	Other preparations acting on the skin and mucocutaneous junctions
82	Vaccines and sera
83	Reagents
84	Others
85	Dressings
86	Appliances
87	Trusses
88	Hosiery
