C.2

The Journal of The Royal College of General Practitioners

Volume 30

Number 221

December 1980

Editorials

What kind of Journal?
Family doctors for doctors' families
Dr S. L. Barley

Training for general practice

Teaching about learning in a consultation
Vocational training and recruitment into general practice
A survey of ex-trainees
Steering patients with selected conditions to trainees
A new method of self-assessment during vocational training
Experiences in a general practitioner workshop
A new academic career structure in general practice in Northern Ireland

Why not?

Why not tear up the European aims?
Why not a practice annual report?

Out-of-hours work

Night calls in a single-handed rural practice

Health centres

Doctors' attitudes to health centres
