

New from Oxford

New in the Oxford General Practice Series . . .

11. Rheumatology for GPs

H. L. F. Currey and Sally Hull

A succinct, systematic account of modern rheumatology, giving a practical guide to the management of the common rheumatological disorders, including instructions on giving injections, the use of drugs, physiotherapy, and simple appliances.

0 19 261657 9, 300 pp., illus., September 1987, paperback £15

12. Women's Problems in General Practice

Second edition

Edited by Ann McPherson

For the second edition, the contributors have made substantial revisions to their entries, and there are now new chapters on drink problems, and women and smoking.

0 19 261571 8, 450 pp., illus., November 1987, paperback £16

New in the Practical Guides for General Practice Series . . .

2. A Basic Formulary for General Practice

G. B. Grant, D. A. Gregory and T. D. Van Zwanenberg

This basic general practice formulary with about 150 drugs provides adequate, appropriate, and economic drug treatment for 90 per cent of patients encountered in practice.

0 19 261616 1, 88 pp., June 1987, paperback £2.95

Other New Titles from Oxford . . .

Oxford Textbook of Medicine

Second edition

Edited by D. J. Weatherall, J. G. G. Ledingham, and D. A. Warrell

'Probably the best work now available in clinical medicine at this level . . . eclipses all of the currently available texts with its vast canvas of the philosophy and practice of medicine in the late 20th century . . . jewel of scholarship'

British Medical Journal on the first edition

0 19 261551 3, 3660 pp., illus., two volumes, March 1987 £95

Just a Word Doctor

A light-hearted guide to medical terms

Bernard J. Freedman

An erudite, entertaining guide to about 500 medical terms. It includes many of the author's published articles, with new material and illustrations.

0 19 261641 2, 112 pp., illus., June 1986, Oxford Paperbacks £4.95

Unemployment and Health

A disaster and a challenge

Richard Smith

Based on a series of articles published in the British Medical Journal, this is a comprehensive discussion of the implications for health of mass unemployment.

0 19 261622 6, 212 pp., illus., August 1987, Oxford Paperbacks £4.95

The Management of Leg Ulcers

Second edition

Terence J. Ryan

This first aid manual describes the principles of management at every stage, giving checklists of differential diagnosis, and numerous diagrams and photographs showing how to apply dressings and bandages.

0 19 261663 3, 112 pp., illus., May 1987, paperback £8.95

Neuromuscular Diseases

Jaap Bethlem and Charlotte E. Knobbout

Contemporary writing on neuromuscular diseases is spread over a large number of specialist journals, or contained in large and expensive volumes. This book remedies the situation by providing a concise yet complete description of the clinical signs and symptoms of these diseases.

0 19 261586 6, 168 pp., illus., June 1987, paperback £9.95

Oxford Handbook of Clinical Specialties

J. A. B. Collier and J. M. Longmore

This is the sequel to the *Oxford Handbook of Clinical Medicine*. It has been written primarily for those taking up their first responsibilities in the major specialties of clinical medicine, whether as a clinical student, a junior doctor, or a trainee general practitioner.

0 19 261621 8, 800 pp. (half blank for notes), illus., August 1987, flexicover £8.95

Medical Care and the General Practitioner 1750–1850

Irvine Loudon

Based largely on manuscript sources, this study deals with the rank-and-file practitioners: the surgeon-apothecaries of the eighteenth century and their successors, the general practitioners of the early nineteenth.

0 19 822793 0, 420 pp., Clarendon Press, 1986 £30

A new idea in health education . . .

The Diary of a Teenage Health Freak

Aidan Macfarlane and Ann McPherson

'A new book for teenagers answers all those awkward questions with a touch of wit . . . John Astrop's illustrations are delightful . . . The strength of the book, which has similarities to Adrian Mole in tone . . . is that, as a source of information, it is accessible and persuasive.' The Daily Telegraph

0 19 217761 3, 176 pp., illus., April 1987 £9.95
0 19 286083 6, Oxford Paperbacks £2.50
