WHERE CAN YOU GET FREE ADVICE ON THE NEW PENSION ARRANGEMENTS

There's no one better to ask than MIA. Because the Medical Insurance Agency was founded by a group of doctors in the early years of this century specifically to offer financial advice and services to members of the healthcare professions.

And you're going to need that advice more than ever over the next six months when you'll be faced with some important decisions regarding your pension arrangements.

Should you stay in the NHS Superannuation Scheme or not? Should you buy *Added Years* or make *Free Standing Additional Voluntary Contributions*?

Now we've written a free booklet specially for doctors and dentists that gives you clear, impartial advice and guides you through the complexities of these new arrangements.

Cut the coupon today and we'll send you your copy. Then, if you wish we'll tailor a contribution scheme that suits your needs, through one of our 23 offices around the UK.

Almost 100,000 of your medical, dental and nursing colleagues are already benefiting from MIA's help.

You see, it's because we know your business backwards, that we can help you look forwards.

WE'VE BEEN MINDING YOUR BUSINESS FOR OVER 80 YEARS.
